Procedures:

This form should not be mailed. Use this form to collect your student's information before logging in online. Teachers should register their students online - the link will be found on the Orchestra Division website. Follow the instructions online. When all students have been entered, you will print a hard copy to mail along with your check to the address listed on this form. Teachers are responsible for the accuracy and completeness of the student information.

Special note to sponsoring teachers:

**All directors registering students will be required to judge or work in some capacity at the Region and All-State auditions unless released in advance by the Region or All-State Chairman. Students attending the school(s) of those directors refusing to work in some capacity will be ineligible to audition and will forfeit the registration fees. Any director who leaves the audition site without permission from the site chairman will have the audition results of the student(s) from the school(s) at which he/she teaches removed from the audition process. Students who attend the school(s) at which the director teaches will forfeit their audition fees and lose the right to participate in the Region or All-State audition process for the remainder of the school year. It should also be noted that in the schools with two or more directors, that ALL directors and assistants must comply with these guidelines in order for students from the school to remain eligible to compete in the audition process.*

- In addition to the hard copy of the student registrations, teachers must complete the **SPONSORING TEACHER COVER FORM**.
- All sponsorship rules as listed in the handbook must be followed.
- Include the \$5.00 entry fee for each submission. (NOTE: Send no cash. For multiple entries from any sponsor, please combine them onto one check.)
